Dear Patient,

It is our goal to strive to help minimize your deductible and out-of-pocket cost per your calendar/plan year. We will apply you for the appropriate grants/co-pay cards depending if you qualify with your current household income, diagnosis, current drugs and if there is available funding. It is your responsibility to provide us with the appropriate paper work as requested in a timely manner and to follow up and stay involved. We do this as a courtesy.

Grants and co-pay cards can stop or run out of funding at anytime without notice. Although you may currently have funding it is not always a guarantee. Your deductible and out-of-pocket cost are your responsibility and if at any time your grant/co-pay card is depleted you are still 100% responsible for all financial liability of your deductible and out-of-pocket cost associated with your treatment.

Grant/co-pay cards do not cover your entire treatment regimen. They are very specific to drugs and your diagnosis. Most grants/co-pay cards do not cover co-pays, administration fees or supportive drug cost. These will be your responsibility.

I, ______________________________, give permission for Renew Cell Care to apply for financial assistance on my behalf via on line or faxed documents.
